

Mahdi Beheshtian

Frontend Developer

+989300811881 Tehran, Iran or Remote beheshtiandev@gmail.com [Linkedin](#) [Github](#)

PROFESSIONAL SUMMARY

Frontend developer with over 2 years of experience building responsive and optimized web applications using React and Next.js. Proficient in modern frontend technologies with a strong focus on performance, scalability, and user experience. Experienced in working with APIs, state management, and component-based architecture.

EXPERIENCE

Frontend Developer
[Elimagasht Pasargad Travel Agency](#)

- Redesigned and optimized the main website using **Next.js** and **Tailwind CSS** for speed and modern UX.
- Delivered a fully **responsive** UI with fast-loading, mobile-first performance.
- Integrated custom **APIs** for **flight ticketing**, **hotel booking**, and **tour purchases**.
- Implemented user behavior tracking to power automated special offer suggestions.
- Ensured smooth cross-device experience and improved user engagement.
- Collaborated with backend teams to maintain a scalable, stable architecture.

React / Next.js Developer
Ostaweb Creative Team

- Collaborated in a 6-person team to develop modern, **interactive**, and user-friendly websites.
- Designed and implemented **client-specific features** tailored to business needs.
- Built a custom **ticketing panel** with **dynamic charts** and **progress indicators**.
- Developed scroll-based animations using **GSAP**, **Framer Motion**, and **ScrollTrigger**.
- Delivered fully responsive, SEO-friendly apps using Next.js, with **SSR** and **API integrations**.
- Translated Figma designs into modular, maintainable React components.
